

ROMEO OSASERE OMOREGIE

Innovative Front-End Developer

A Front-End Developer with a proven ability to collaborate effectively with senior developers while spending extra time to be **mentored**. I particularly enjoy collaborating and working closely with team members to ensure workloads are effectively redirected to bottlenecks and personally picking up the slack when necessary. I learn quickly and adapt to roles swiftly, striving to add value in every capacity and I am ready to apply my passion for coding to talented engineering team in order to develop quality solutions to lasting problems.
