WORK EXPERIENCE

Entry-Level Front-End Developer

Delta Steel Fabrication Ltd

📅 January 2022 - current

📍 Remote

- Maintained 20+ web pages, graphics, and online marketing materials under direction of manager.
- Created and maintained front-end code for their website (re-designs, seasonal updates, production work).
- Produced and assisted in the deployment of online marketing initiatives, including banner advertisements.
- Identified and implemented dynamic web solutions in accordance to company standards and best practices.
- Developed WordPress site with testing, deployment, and updates.
- Led troubleshooting, fixed 100+ bugs and other issues, and updated sites throughout production lifecycle.

Front-End Developer Intern

Stutern

📅 September 2021 - April 2022

📍 Lagos, Nigeria

- Assisted the development team in maintaining and designing applications and websites.
- Implemented front-end technical solutions to meet project requirements for creation of webpages and applications.
- Ensured projects complied with correct technological processes, industry best practices, and company standards.
- Conducted research and assisted with new business scoping efforts, resulting in the acquisition of clients.
- Partnered with teams to take client wireframes from conception to implementation.
- Worked in an Agile, collaborative environment to receive design requirements, peer program, and test applications.

CERTIFICATIONS

- AWS

OBJECTIVE

Front-End Developer with a proven ability to collaborate effectively with senior developers while spending extra time to be mentored. Enjoy working closely with team members to ensure workloads are effectively redirected to bottlenecks and personally picking up the slack when necessary. Ready to apply my passion for coding to a talented engineering team to develop quality solutions.

EDUCATION

Certificate of Completion
Frontend Development

Stutern
